TYRONE WILSON, CHIEF FINANCIAL OFFICER

Mr. Wilson is the Chief Financial Officer for Syncom Venture Partners. He is responsible for the management of all financial matters related to Syncom Venture Partners, its various investment funds, affiliates and partnerships.

Mr. Wilson came to Syncom as an experienced financial professional, having served in public accounting, health care consumer products, cable television, and television programming and operations industries. While working for such industry leaders such as Arthur Young & Company, Johnson & Johnson, Tele-Communications (TCI), and Black Entertainment Television (BET), Mr. Wilson successfully rose in the leadership ranks from staff to senior auditor, served as Division Vice President & Controller for a division that provided cable television service to over 1.2 million cable subscribers, and played an integral role in the planning and launch of BET's Jazz Channel. Mr. Wilson also served as Chief Financial Officer of a startup company in the bio-defense technology field.

Mr. Wilson is a graduate of Temple University with a Bachelors of Business Administration, concentration in accounting. Mr. Wilson is a Certified Public Accountant since 1981.
